# Billing Preferences Crosswalk

Last Modified on 05/28/2020 1:01 pm EDT

Version 20.3

## Overview

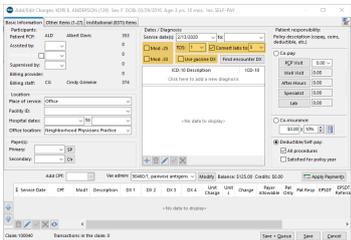

Several Billing Preference options have been relocated in the software (as of OP build 20.3.0) to:

- Allow for consistent preferences from user to user
- Give appropriate access to the correct users
- Align preferences in a way that is logical to the user

The sections below contain the location of several of these preferences before and after the release of OP version 20.3.0
