

Prescription Monitoring Program (PMP)

Last Modified on 08/06/2023 6:30 pm EDT

Version 21.3

Prescription Monitoring Program (PMP)

Path: Practice Management tab > Coded Values

The Coded Values window allows you to set up a link in the Prescription Writer window to the Prescription Monitoring Program (PMP) web site for your state.

- 1. Select Online resource location under Code Table Purpose.
- 2. Click the Add button to add a new record.
- 3. Enter the URL under Description.

Note: The URL you enter in the Description field will be your state's login page to the Prescription Monitoring Program (PMP).

4. Enter PMP under Guidelines / Other Data.
