

# Choose a Medical Record to Attach to a Consent Record

Last Modified on 08/12/2021 8:39 am EDT

Version 14.19

This window map article points out some of the important aspects of the window you're working with in OP but is not intended to be instructional. To learn about topics related to using this window, see the **Related Articles** section at the bottom of this page.

## About Choose a Medical Record to Attach to a Consent Record

**Path: Clinical, Practice Management, Billing tab > Patient Chart button > Consent Forms > Link Medical Record button**

The Choose Medical Record to Attach to a Consent Record window links a consent form with a medical record. Click to highlight the medical record that will be attached to the consent record.

## Choose a Medical Record to Attach to a Consent Record Map

Number	Section	Description
1	Category tabs	The category tabs quickly access the medical records for a specific category for the patient. These tabs include Diagnostic Tests Orders, Vaccines, Vaccine Indicators, Encounters, Problem List Chart Note, Referral Letter.
2	Medical Record Grid	The Medical Record grid displays the Medical Records that can be attached to a Consent Record.
3	+ Problem button (in Problem List Chart Note tab)	The + <b>Problem</b> button opens the problem list window. This will insert a new problem list note.
4	+ Add button (in Referral Letter tab)	The + <b>Add</b> button opens the Referral/Care Transition Details window. This will insert a referral letter record for the patient.

5	OK button	The <b>OK</b> button saves any changes for final review and closes the window.
6	Cancel button	The <b>Cancel</b> button cancels any changes and closes the window.
