

Risk Assessments Editor

Last Modified on 09/22/2021 1:53 pm EDT

OP sets **all defaults to share all information**. Any individual decisions by Practice-users to restrict information sharing (access, use, or exchange) are the responsibility of the Practice in the implementation of its 21st Century Cures Act Information Blocking policies and procedures for its Practice and patients.

Version 14.19

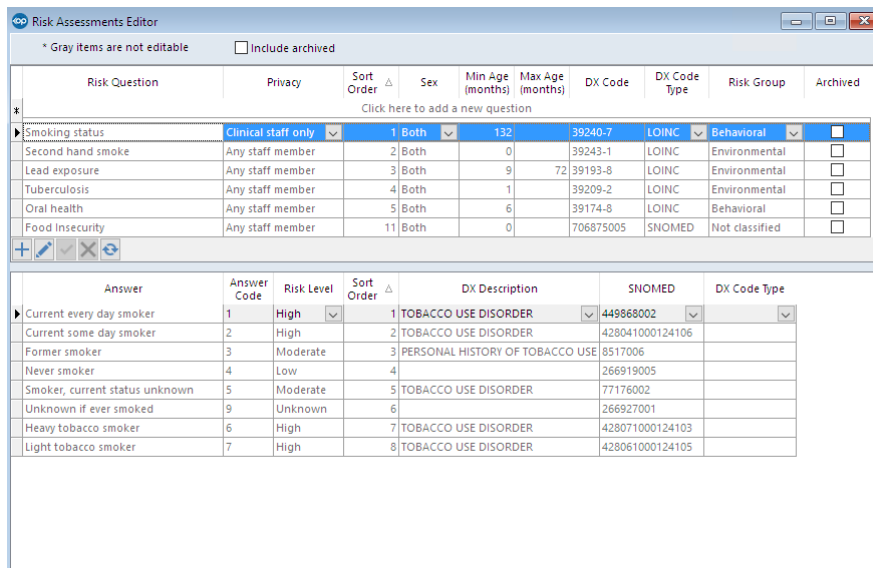

This window map article points out some of the important aspects of the window you're working with in OP but is not intended to be instructional. To learn about topics related to using this window, see the **Related Articles** section at the bottom of this page.

About Risk Assessments Editor

Path: Clinical tab > More (Customize group) > Risk Assessments

The Risk Assessments Editor reviews, edits, and creates Risk Assessment questions and responses. Below, is a description of each column in both the Question and Answer sections of the window. The answers displayed in the lower section of the window depend on the question selected in the upper section of the window.

Risk Question	Privacy	Sort Order	Sex	Min Age (months)	Max Age (months)	DX Code	DX Code Type	Risk Group	Archived
Smoking status	Clinical staff only	1	Both	132		39240-7	LOINC	Behavioral	<input type="checkbox"/>
Second hand smoke	Any staff member	2	Both	0		39243-1	LOINC	Environmental	<input type="checkbox"/>
Lead exposure	Any staff member	3	Both	9	72	39193-8	LOINC	Environmental	<input type="checkbox"/>
Tuberculosis	Any staff member	4	Both	1		39209-2	LOINC	Environmental	<input type="checkbox"/>
Oral health	Any staff member	5	Both	6		39174-8	LOINC	Behavioral	<input type="checkbox"/>
Food Insecurity	Any staff member	11	Both	0		706875005	SNOMED	Not classified	<input type="checkbox"/>

Answer	Answer Code	Risk Level	Sort Order	DX Description	SNOMED	DX Code Type
Current every day smoker	1	High	1	TOBACCO USE DISORDER	449868002	
Current some day smoker	2	High	2	TOBACCO USE DISORDER	428041000124106	
Former smoker	3	Moderate	3	PERSONAL HISTORY OF TOBACCO USE	8517006	
Never smoker	4	Low	4		266919005	
Smoker, current status unknown	5	Moderate	5	TOBACCO USE DISORDER	77176002	
Unknown if ever smoked	9	Unknown	6		266927001	
Heavy tobacco smoker	6	High	7	TOBACCO USE DISORDER	428071000124103	
Light tobacco smoker	7	High	8	TOBACCO USE DISORDER	428061000124105	

Risk Assessments Questions Map

Question Column	Description
Risk Question	Risk questions that will appear in the Risk Assessment tab of the patient chart or while charting an Encounter or Well Visit.
Privacy	Set a privacy level to restrict visibility to specific staff.
Sort Order	Numeric value to organize questions within the Risk Assessment tab.

Sex	Set a risk question to display dependent upon a child's gender.
Min Age (months)	Set a risk question to only display when a child has reached the minimum age.
Max Age (months)	Set a risk question to no longer display when a child has reached the maximum age.
DX Code	The code entered in this column is dependent on the DX Code Type.
DX Code Type	The entry in this column controls what is entered in the DX Code. LOINC is the requirement for Meaningful Use.
Risk Group	The risk group the question can be categorized.

Risk Assessments Answers Map

Answer Column	Description
Answer	Set of answers defined specific to the Risk Question selected. Selections will display when charting an Encounter or Well Visit.
Answer Code	U=Unknown, N=Low Risk, R=At Risk, C=Current Exposure, P=Past Exposure, H=History.
Risk Level	Value in the risk level will be set to reflect the answer code. Values set in this field set the display color on the selection of the answer.
Sort Order	Numeric value to organize answers for a selected risk question.
DX Description	Description of the selected SNOMED. DX Description will populate if SNOMED selection is made in the SNOMED column.
SNOMED	SNOMED code selection. SNOMED will populate if a selection is made in the DX Description column.
DX Code Type	Field will be left blank.

Version 14.10

About Risk Assessments Editor

Path: Utilities Menu > Manage Clinical Features > Risk Assessments Editor (Keyboard Shortcut keys: [Alt][U][F][I])

The Risk Assessments Editor reviews, edits, and creates Risk Assessment questions and responses.

Overview

You will have an understanding of the content of risk assessment questions, which includes the Meaningful Use requirement of smoking status. You will be knowledgeable on customizing this area of Office Practicum to meet the needs of the practice.
