Version 20.15

This window map article points out some of the important aspects of the window you're working with in OP but is not intended to be instructional. To learn about topics related to using this window, see the **Related Articles** section at the bottom of this page.

About Vaccine Inventory Forecast

Path: Practice Management tab > Vaccine Inventory Forecast

The Vaccine Inventory Forecast report displays the available vaccines and provides an estimated stock count based upon if the vaccine will be administered.

The screenshot shows the 'Vaccine Inventory Forecast' window. Callout 1 points to the 'Start forecast:' section with radio buttons for 'this month' and 'next month'. Callout 2 points to the 'Location:' dropdown menu with 'All' and 'Main Office' options. Callout 3 points to the 'Private Stock' column headers (On hand, Dec 2021, Jan 2022, Feb 2022). Callout 4 points to the 'Print Grid' button. Callout 5 points to the 'VFC/Public Stock' column headers (On hand, Dec 2021, Jan 2022, Feb 2022). Callout 6 points to the 'Administration Rules' table with columns for Vaccine name, Admin at (months), and Uptake %. Callout 7 points to the function buttons at the bottom left (Add, Remove, Edit, Save, Cancel).

Administration Rules			Private Stock			VFC/Public Stock				
Vaccine name	Admin at (months)	Uptake %	On hand	Dec 2021	Jan 2022	Feb 2022	On hand	Dec 2021	Jan 2022	Feb 2022
