

# Fields You Can Customize

Last Modified on 05/23/2019 12:31 pm EDT

Version 14.19

## Overview

Office Practicum has introduced a powerful new tool that allows you to easily custom-tailor your practice's statements! This page introduces the fields that you can customize.

## Fields that You Can Customize

- Cash
- Credit Card Section - Includes Credit Cards as an option with Visa and Mastercard included
- Discover
- American Express as AMEX
- Due Date
- A permanent message (A message that prints on every statement until you change it!)
- Your Practice Logo

## Visible Fields that You can Hide

- Credit Card Section with Visa and Mastercard Included
- Due Date appears on statement as "Upon Receipt"

## Hidden Fields that You can Make Visible

- Cash
- Discover
- American Express as AMEX
- A permanent message (A message that prints on every statement until you change it!)
- Your Practice Logo

Version 14.10

## Overview

Office Practicum has introduced a powerful new tool that allows you to easily custom-tailor your practice's statements! This page introduces the fields that you can customize.

## Fields that You Can Customize

- Cash
