Well Visit: Document Anticipatory Guidance (AG) and Counseling

Last Modified on 10/20/2020 11:29 am EDT

Version 14.19

Overview

The AG/Counseling section of the Well Visit is where Anticipatory Guidance and Counseling are documented.

Document AG and Counseling

- 1. From within a Well Visit Note, click AG/Counseling in the Window Navigation panel.
- 2. Click into the Anticipatory Guidance text box and make changes, as needed.
- 3. Click into the Counseling text box and add information, as needed.
- 4. Verify that the **Visibility Leve**l is set properly for the counseling information.
