Version 14.19

This window map article points out some of the important aspects of the window you're working with in OP but is not intended to be instructional. To learn about topics related to using this window, see the **Related Articles** section at the bottom of this page.

About Well Visit: School Exam

Path: Clinical, Practice Management, or Billing tab > Patient Chart button > Well Visits > New or Open Note button > School Exam

The School Exam window documents the patient's visit results for School/Camp Reports.

The screenshot shows the 'Exam Notes for School/Camp Forms' window. Numbered callouts indicate the following elements:

- 1:** The 'School Exam' button in the left-hand navigation pane.
- 2:** The 'Flag as incomplete' checkbox at the top of the window.
- 3:** The 'Objective' text field at the top of the main content area.
- 4:** The 'Phrase Construction' button (represented by a speech bubble icon) located to the right of the Objective field.
- 5:** The grid containing the exam results, split into two columns for various physical exam findings.

About Preventive Exam: School Exam Tab

Path: Smart Toolbar > Chart button > Well Visits tab > Open Note button > School Exam tab

Path: Smart Toolbar > Schedule Button > Well Visit tab > Edit button > School Exam tab

The Preventive Exam window charts a patient well-visit exam. The Preventive Exam window helps to code and complete a preventive encounter visit. The preventive exam note encompasses both narrative and comprehensive formats. It also allows you to customize the layout of the note. The note is added to the patient chart.

The School Exam tab documents the patient's visit results for school.

Patient Encounter: School Exam Tab Map

Number	Section	Description
1	Well Visit Note Editor tab	<p>The Well Visit Note Editor documents the patient preventive exam. The Well Visit Note Editor contains the following tabs:</p> <ul style="list-style-type: none"> • Visit Info • Interval Hx • Problem List • Allergy/Rxn • Med Review • Immunizations • History • Risk Assess • Surveys • Vital Signs • Development • Detailed Exam • School Exam • Graphic • AG/Counseling • Diag Tests • Assess/Plan • Coding • Summary

2	Care Plans tab	The Care Plans tab lists, prints, and manages care plans for a patient's health maintenance schedule.
3	Prior Well Visits tab	The Prior Well Visits tab lists the previous preventive exam notes.
4	Templates tab	The Templates tab lists the templates that are created, edited, and reviewed in the Well Visit Template Editor . Templates are pre-written scenarios you can use in a well visit to document common pediatric diagnoses. Templates include detailed descriptions for the usual pertinent positive and negative findings of a wide variety of illnesses, with a standard assessment, plan and ICD-10 coding. Included with your installation of Office Practicum are Pediatric specific templates.
5	Function buttons	The Function buttons delete an entire well visit note, edit a well visit note, or save an well visit note.
6	Flag as Incomplete checkbox	The Flag as Incomplete checkbox will mark a well visit as unfinished.
7	School Exam grid	The School Exam grid documents the results of the school health exam. Results from this exam will appear in the school/camp form. The grid is split into the objective, exam results, and exam notes.
8	Phrase Construction button	The Phrase Construction button opens the Phrase Construction window. Phrase Construction assists with the creation of notes and other text-based descriptions.
