> This window map article points out some of the important aspects of the window you're working with in OP but is not intended to be instructional. To learn about topics related to using this window, see the **Related Articles** section at the bottom of this page.

About Electronic Billing Center: ERA Payments Tab

> **Path: Billing tab > Billing Center button > ERA Payments tab**

The Electronic Billing Center, or eBilling Center, is the one-stop location in Office Practicum where claims are tracked. It lets you view claims from the time they are created until the time they are paid.

The ERA Payments tab shows all ERA Payments that were processed into OP.

Electronic Billing Center: ERA Payments Tab Map

Number	Section	Description
1	Electronic Billing Center Tabs	The Electronic Billing Center contains the following tabs: • **Overview** • **Superbills** • **Claims (A/R)** • **(Transmit) Queue** • **Adjudications** • **ERA Payments** • **Receipts** • **Credits** • **Statements (Queue)**
2	Function buttons	The Function buttons change based upon the tab selected. However, some main function buttons appear on every tab. The main function buttons are Edit, Delete,

|		Refresh, Select All (items), Select None, and Print Grid.
3	Scope	The Scope selections determine the data available in the ERAs grid. Only the Date Range and Location scopes may be used in the ERA Payments tab.
4	Posting Status	The Posting Status radio buttons allow users to focus on All ERAs, Unposted ERAs, or Out of Balance ERAs. The Override Performed radio button is also available but only by permission.
5	ERA Payments grid	The ERA Payments grid shows the ERA Payments that fit the criteria set in the Date Range, Location, and Posting Status sections of the window. The grid can also be grouped and sorted using the column headers.
