

### Important Content Update Message

We are currently updating the OP Help Center content for the release of OP 20. OP 20 (official version 20.0.x) is the certified, 2015 Edition, version of the Office Practicum software. This is displayed in your software (**Help tab > About**) and in the Help Center tab labeled Version 20.0. We appreciate your patience as we continue to update all of our content.

# SQL: Accounts with No Guarantor

Last Modified on 11/26/2019 2:51 pm EST

## About

This report looks at all patient charts who do not have a guarantor assigned. It also lists if they have a balance and the status of the account.

A sample image of this SQL report run in the Database Viewer is shown below:

Query name: Accounts with No Guarantor

Description:

Results filename:

select patno, fname, lname, guarantor\_id, copaybal, status\_pat from register
