

Important Content Update Message

We are currently updating the OP Help Center content for the release of OP 20. OP 20 (official version 20.0.x) is the certified, 2015 Edition, version of the Office Practicum software. This is displayed in your software (**Help tab > About**) and in the Help Center tab labeled Version 20.0. We appreciate your patience as we continue to update all of our content.

SQL: Simple Address Book Export

Last Modified on 12/02/2019 4:20 pm EST

About

This report displays all active entries in your address book.

A sample image of this SQL report run in the Database Viewer is shown below:
