

Important Content Update Message

We are currently updating the OP Help Center content for the release of OP 20. OP 20 (official version 20.0.x) is the certified, 2015 Edition, version of the Office Practicum software. This is displayed in your software (**Help tab > About**) and in the Help Center tab labeled Version 20.0. We appreciate your patience as we continue to update all of our content.

BREASTFEEDING INFANT: Follow Up Template

Last Modified on 12/04/2019 1:50 pm EST

Version 14.19

Warning: Before importing templates into your OP 14 system, please read the guidelines and warnings for template sharing in the [Warnings: Before You Share Templates](#) article.

Overview

This template is used by a provider or clinical team to capture information pertinent to the infants breastfeeding habits and identify any areas of concern for the infant and mother. Included on this template are the following orders: HepB Immunization and Breastfeeding Assessment, and Hazelbaker Surveys.
