

# ASTHMA EXACERBATION: Follow up Template

Last Modified on 03/27/2023 1:57 pm EDT

Version 21.0

**Warning:** Before importing templates into your OP, please read the guidelines and warnings for template sharing in the [Warnings: Before You Share Templates](#) article.

## Overview

This template is used by providers to document a follow up visit for asthma flare. Included on this template are the following standing orders: Update Asthma Action Plan, Pulse Ox, Peak Flow, and schedule a follow up visit in 3 months. Also included is an alternate order to evaluate and teach inhaler use. Medications are available on the Medications tab for prescribing.
