> **Important Content Update Message**
> We are currently updating the OP Help Center content for the release of OP 20. OP 20 (official version 20.0.x) is the certified, 2015 Edition, version of the Office Practicum software. This is displayed in your software (**Help tab > About**) and in the Help Center tab labeled Version 20.0. We appreciate your patience as we continue to update all of our content.

What does Validate Order in the eLabs Order Form do?

Last Modified on 02/10/2020 2:03 pm EST

> **!** **Warning**: This information is intended only for clients currently in the implementation or production phase with OP eLabs functionality.

When a user is ready to place the order, **Validate** will activate the requisition for reviewing, editing, printing, and sending.
