**Important Content Update Message**
We are currently updating the OP Help Center content for the release of OP 20. OP 20 (official version 20.0.x) is the certified, 2015 Edition, version of the Office Practicum software. This is displayed in your software (**Help tab > About**) and in the Help Center tab labeled Version 20.0. We appreciate your patience as we continue to update all of our content.

# What lab orders and results will not be processed from within OP's eLabs interface?

Last Modified on 02/10/2020 2:10 pm EST

**Warning**: This information is intended only for clients currently in the implementation or production phase with OP eLabs functionality.

Any lab vendor for which the practice has been printing out paper requisitions.

Any lab vendor that does not enroll with OP's eLabs partner, Change Healthcare.
