

Important Content Update Message

We are currently updating the OP Help Center content for the release of OP 20. OP 20 (official version 20.0.x) is the certified, 2015 Edition, version of the Office Practicum software. This is displayed in your software (**Help tab > About**) and in the Help Center tab labeled Version 20.0. We appreciate your patience as we continue to update all of our content.

How do I print specimen labels?

Last Modified on 02/10/2020 2:04 pm EST

Warning: This information is intended only for clients currently in the implementation or production phase with OP eLabs functionality.

In the upper left of the eLabs Order Form, enter the number of labels needed. Select the desired label printer, and choose **print**.
