

# eLabs: Creating Requisitions

Last Modified on 05/12/2022 7:23 am EDT

## About

Below is a collection of 3 scenario-based videos that demonstrate workflows for creating Lab Requisitions when using eLabs:

- **Video 1 of 3:** Create an Order From a Task (4:48)
- **Video 2 of 3:** Create a Send-Out Order Without a Task (3:50)
- **Video 3 of 3:** Create an Order for a Group of Labs (4:07)

 **Navigation Tip:** Jump to a specific video using the **Next** button  or **Previous** button . Or, use the **View All** button  to choose from a list. If you want to watch all of the videos in order, go right ahead! As each video ends, you'll see "Up Next" and be able to click to play.
