

**Important Content Update Message**

We are currently updating the OP Help Center content for the release of OP 20. We appreciate your patience as we continue to update all of our content. To locate the version of your software, navigate to: **Help tab > About**.

# How often will VIS Sheets be updated?

Last Modified on 07/13/2020 1:10 pm EDT

**Warning:** You must take the build updates to get these updates.

## When Does OP update VIS Sheets?

OP will update the VIS Sheet Edition Dates and the corresponding barcode numbers in a release following the date when the CDC updates its **Vaccine Information Statement (VIS) Lookup Table**

**Note:** Federal law allows up to 6 months for a new VIS to be used.

## What is your responsibility with VIS Sheet management?

It is the practice's responsibility to upload any **URL link** changes into their Local Content Library and/or Handouts associated with visit templates.
