

Important Content Update Message

We are currently updating the OP Help Center content for the release of OP 20. OP 20 (official version 20.0.x) is the certified, 2015 Edition, version of the Office Practicum software. This is displayed in your software (**Help tab > About**) and in the Help Center tab labeled Version 20.0. We appreciate your patience as we continue to update all of our content.

OP Patient Portal Data Integrity: PCP and Medical Home- Resource Diagram

Last Modified on 11/15/2019 1:50 pm EST

Path: Clinical, Practice Management, or Billing tab > Patient Chart button > Basic Information

In order for patient demographic info to flow to IntelliChart, each patient chart must contain a PCP and Medical Home.

1 Navigate to and open the patient chart.

2 Click Basic Information.

3 Enter the missing PCP or Medical Home.

4 Save your changes.
