OP Mobile: Bookmarking Your URL

Last Modified on 08/18/2020 2:27 pm EDT
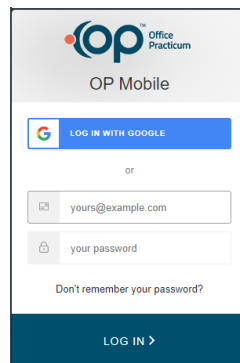

Version 20.5

<p style="text-align:center;color:red;">The content in this article is relevant to the New OP Mobile.</p>

Overview

It is recommended that all practices bookmark the URL for their practice's OP Mobile. Click here for further information on why it is important to bookmark your URL.

> **Warning**: Please ensure that you *do not* bookmark the page at the Auth0 sign in page seen below. This is the pop-up login screen that is displayed after you click the Log in button on the OP Mobile page.
Google Chrome

1. Enter the *URL* for your practice into the address bar.

2. The *OP Mobile* page will display.

3. Follow the below instructions to bookmark the page.

- Click the **Star** to the right of the address bar to bookmark the page.
- The *Bookmark Added* window displays.
- Enter a name for the bookmark in the **Name** field.
- Click the drop-down in the **Folder** field, if applicable, and select a folder.
- Click the **Done** button.

> **Note**: If the Star is not displayed click the **3 dots** to the right of the address bar, select **Bookmarks**, and select **Bookmark this tab.**

Mozilla Firefox

1. Enter the *URL* for your practice into the address bar.

2. The *OP Mobile* page will display.

3. Follow the below instructions to bookmark the page.

- Click the **Star** to the right of the address bar to bookmark the page.
- The *New Bookmark* window displays.
- Enter a name for the bookmark in the **Name** field.
- Click the drop-down in the **Folder** field, if applicable, and select a folder.
- Click the **Done** button.

Internet Explorer

1. Enter the *URL* for your practice into the address bar.

2. The *OP Mobile* page will display.

- Click the **Star** to the right of the address bar to bookmark the page.
- Click the **Add to favorites** button.
- Enter a name for the bookmark in the **Name** field.
- Click the drop-down in the **Folder** field, if applicable, and select a folder.
- Click the **Add** button.
