Why You Need to Know about OP RCM

You would like to be collecting more of what you've earned from your payers. But how do you do that? Outsourcing your billing now or in the future may be right for your practice.

During this webinar, we will discuss:

- The services that are included with OP RCM
- How we partner with our clients to increase billing performance
- Learn how we measure success

Improve Your Bottom Line With OP RCM

Are you interested in increasing your total payments by 9% and your payments per visit by 4.6%? If so, we can help!

During this webinar, you will:

- Learn how OP RCM has helped clients achieve amazing results and how we can do the same for you
- Understand the OP RCM implementation process and how we safeguard you against operational disruptions during your transition
- Discover how partnering with our team of experts reduces your staff's administrative burden

9% Increase in Payments - How OP RCM Does It

What if you could increase your payments by 9%? Would you be interested in finding out how? If so, you're in luck! During a this webinar, we're going to give you a peek behind the "OP RCM curtain". You'll see first-hand the solutions we use to help clients increase total payments on average by 9% and payments per visit by 4.6%.

During this webinar, you will learn:

- How the OP RCM team tracks and shares your success using the Client Success Tracker
- The benefits of having a dedicated pediatric-billing Account Manager
- Why we use a best-in-class clearinghouse
- How we use our data analytics tools, OP Intelligence, to provide account data for the OP RCM team and how you can use it as well.
