What type of devices can be used with OP Mobile?

Last Modified on 07/13/2020 11:07 am EDT

The content in this article is relevant to the New OP Mobile.

OP Mobile is capable of being accessed on any desktop OS, or Android and Apple devices capable of running recent versions of major browsers.

- Chrome
- Firefox
- Edge
- Safari

> **!** **Warning**: Web browsers, such as Internet Explorer 11 and earlier versions, may not work with OP Mobile due to security reasons.
