What will happen if I click Log in with Google for OP Mobile?

Last Modified on 07/13/2020 11:20 am EDT

The content in this article is relevant to the New OP Mobile.

OP Mobile Users must use their Username and Password when logging into OP Mobile. If you attempt to use the **Log in with Google** button, you will get an access denied message and be re-directed to log in with your username and password.
