

Important Content Update Message

We are currently updating the OP Help Center content for the release of OP 20. We appreciate your patience as we continue to update all of our content. To locate the version of your software, navigate to: **Help tab > About**

How do I see a complete message thread in a patient message?

Last Modified on 04/27/2020 9:34 am EDT

The **Include Prior Text** checkbox located in the Message Center and in the Patient Chart is used to include the entire message thread.
