## How can I view a patient's CHADIS record?

There may be instances when you need to view the patient's CHADIS record. For example, if you need to review the surveys submitted to be completed by the parent. From the patient's CHADIS record, you may see the status of the surveys including if the survey has been submitted, is in progress or is new. Below are the steps to access the patient's CHADIS record from within OP.

1. Navigate to the patient chart: **Clinical, Practice Management, or Billing tab > Patient Chart button**.
2. Search for and select a patient.
3. Click **Surveys**, then click the **CHADIS** button.
