Great question! As you know, we have been working diligently to make the new OP Patient Portal an all-encompassing solution for your practice! Check out the **OP Patient Portal Features At-A-Glance** to read through a summary of some of the newest portal features! It includes high-level information about:

- Sending Surveys to the Patient Portal
- Sending Documents to the Patient Portal
- Receiving Document Requests from the Patient Portal
- New Patient Self-Registration on the Patient Portal
- and Live Scheduling!
