About

This Quick Reference Guide is intended for: Parents of patients who are not yet established patients of the practice. Before distributing this guide, be sure the practice has enabled and set up **Self-Registration.**

It is not intended for: Families who are already registered for the portal that are adding a new patient to the practice. The parent should be instructed to add the patient via PIN entry directly from the Patient Portal, under **Settings.**

It contains: Steps for registering for the practice via the Patient Portal and basic Patient Portal navigation, in Spanish.
