**Pediatric
Success
SERIES**

Tips, tricks, and best practices for
independent pediatric practice success.

Welcome to the 2022 OP Edition of the Pediatric Success Series!

This complimentary series adds an **OP spin** to the material presented in the **Pediatric Success Series** – which is available to both OP Practices and non-OP Practices. Here, you'll learn how to most effectively use OP to keep up with new regulations and industry changes and struggles.
