

2021-2022 Flu Season: External Resources

Last Modified on 07/14/2021 4:06 pm EDT

Every flu season brings a new list of manufacturers and NDC codes, but not to worry - Office Practicum is ready!

As a reminder, the current influenza VIS (dated 8/15/2019) is still valid for the 2021-2022 season and will remain valid throughout the season unless significant changes are made to the CDC's recommendations.

Below are some important links regarding the 2021-2022 flu season.

Link	Description
