

Writing Prescriptions: Writing an Order (Non-med) Prescription

Last Modified on 08/06/2023 6:32 pm EDT

Version 21.3

Path: Clinical, Billing, or Practice Management tab > Patient Chart > Medications

About

Non-medication orders cannot be sent out electronically because these prescriptions are not written with a valid NDC# which is required to send prescriptions electronically.

- 1. Navigate to the patient's Medication List by following the path above.
- 2. Click the New button to open the Prescription window.
- 3. In the Purpose field, use the drop-down to select Order (non-med) from the list.
