Congratulations on completing **Course 3: Portal Setup and Configuration!**

Take this 8 question Knowledge Check to assess what you've learned in Course 3. After answering all questions, you'll have the opportunity to receive your score and review correct and incorrect answers. **There is no passing score**, and this assessment can be taken as many times as you'd like until you're satisfied with your score. If you need to revisit a particular Lesson to refine your skills, see the **Related Articles** located at the bottom of this page.
