Announcing the Market's First Whole Child Digital Healthcare Platform

For over 35 years, Office Practicum (OP) has been committed to the pediatric community and we are thrilled to officially welcome NextStep Solutions and RemedyConnect to the OP family! With this partnership, we will be able to add capabilities and services that will make an even bigger impact for your practice and the needs of the children you serve. Click [here](#) to learn more about the new OP family and our whole child vision.

Want to learn how RemedyConnect services can help your practice? Click [here](#) to register for an upcoming webinar.

Full Acquisition Message from Kraig Brown, CEO of Office Practicum:

We are excited to announce that OP is developing the market's first whole child digital platform.
