

CDA Reconciliation Errors

Last Modified on 12/12/2022 1:31 pm EST

OP sets **all defaults to share all information**. Any individual decisions by Practice-users to restrict information sharing (access, use, or exchange) are the responsibility of the Practice in the implementation of its 21st Century Cures Act Information Blocking policies and procedures for its Practice and patients.

Version 21.0

About

Below you will find common errors you may see when reconciling CDAs. You will need to contact the sender and provide them with the error information. If the sender wishes to resend the CDA they will be required to make corrections.
