OP Portal Readiness

Last Modified on 09/23/2024 12:47 pm EDT

> ⊠ OP sets **all defaults to share all information** Any individual decisions by Practice-users to restrict information sharing (access, use, or exchange) are the responsibility of the Practice in the implementation of its 21st Century Cures Act Information Blocking policies and procedures for its Practice and patients.

The content in this article is relevant to the OP Portal.

In order to prepare your practice and your OP data for a seamless go-live with your new OP Portal, there are a few clean-up and preparation items we recommend reviewing.
