

Financial Analytics (PA): Vaccine Analysis

Last Modified on 08/27/2024 3:16 pm EDT

This is a contracted feature. Contact solutions@officepracticum.com to learn about implementing this in your Practice.

Version 21.3

Path: Tools tab > Reporting button > Financial Analytics > Vaccine Analysis

When to Use this Report

Use this dashboard to view all your vaccine charges, vaccine payments, administration charges, and administration payment details for vaccines administered in your practice. This dashboard will only report on CPT codes with a category of VACCINE for vaccine codes and VAC ADMIN for vaccine administration codes.

Note: To use this dashboard effectively, you will need your Vaccine CPT codes under CPT Category of **VACCINE** and Vaccine Administration codes under CPT Category of **VAC ADMIN**, otherwise all CPT codes will display under the Vaccine category filter.

About Vaccine Analysis

- [Vaccine Analysis Filters](#)

Vaccine Analysis Filters

Number	Section	Description
1	Posted Date	Use this filter to select the date(s) you wish to search based on the posted date. See the Dates section of the Filter Tutorial article for the different selections.
2	Provider	Use this filter to select a provider(s) associated patients with outstanding balances.
3	Location	Use this filter to select the Location(s) of the patients with outstanding balances.
4	CPT Category	Use this filter to view the dashboards based on either the Vaccine category (CPT codes associated with the category VACCINE) or Vaccine Admin category (CPT codes associated with the category VAC ADMIN).

Vaccine Charges -Vaccine Analysis Dashboards Overview

To access the Vaccine Charges tab, click the **Vaccine** button in the CPT Category filter. Hover over each tile to see details of the individual data points. Each tile is defaulted to show the last six months. You can click the filter icon  within each tile to filter differently.
